MyScouting Tools News

Many of you may have heard at this year's Top Hands that a second version of the new MyScouting Tools was recently released to our Key 3 unit and district volunteers on my.scouting.org. This release moves toward our vision of volunteer empowerment.

The new tools provide more intuitive functionality and improved navigation. To become familiar and learn more about the new tools, select a link below to download instructions.

MY DASHBOARD (Enhancements – For all members)
  Update additional profile information (education, employer, civic & professional associations)
  View personal training history
  Print training certificate(s)
  Print membership card(s)

TRAINING MANAGER (For Key-3 Members)
  Dashboard view of Trained Leaders and Youth Protection Training status and counts
  Add adult training information – not just YPT, for members in their organization structure
  View member's training history and YPT status
  Print training certificate(s)
  Print Youth Protection Aging Report (lists those who have not taken YPT, those whose YPT expired and those that will expire in 30, 60, 90 days)

MEMBER MANAGER (For Key-3 Members)
  Assign members to functional roles in sub organizations
  View unit roster details
  Edit/update certain member profile information
  Print membership cards for each registered position
  Print Youth Member Age Report

ORGANIZATION MANAGER (For Key-3 members)
  Create sub organizations in their unit
  Maintain unit's organizational details (social media information)

WHAT YOU NEED TO KNOW
Supported browsers:
      Best experienced with Google Chrome 14+.
      Firefox 21+ also supported.
      Safari & Internet Explorer are not fully supported at this time.

Non Key-3 members will only have access to the My Dashboard tool.

For questions regarding these new tools, please contact the National Support Center, 972-580-2489.
