Common Defects on Adult Leader Applications

A few years ago, the adult leader application forms changed. There are now two pages of the application that need to be completed and turned in to the council, along with a **Youth Protection Training** certificate, in order to be processed.

One of those pages (identified below as the “CBC” page) contains information about the criminal background check progress and asks for the name of the applicant and their signature, authorizing the council to complete a background check.
