

Wabash Valley District Outstanding Volunteer Awards

While the Golden Spark Plug Awards are given by units to recognize those volunteers who energize the program within their unit, the Outstanding Volunteer Awards are given by the district. They are meant to recognize unit level volunteers who rise above the others in their "job" performance. They seek out personal training opportunities if applicable, and they actively guide and help their Scouts to make the unit/district/council connection. (All three awards are not necessarily given annually.)

Outstanding Cub Volunteer Outstanding Troop Volunteer Outstanding Venture Crew Volunteer

Name of Nominee (please print!)
