

## **Silver Beaver Award Recipient 2017**

### **Mike Boebinger**

Mike is an Eagle Scout, Vigil Honor member in the Order of the Arrow, and holds the Minisino honor in Firecrafter of Crossroads of America Council where he grew up. During his years as a Boy Scout, Mike assisted on Camp Staff and served as Aquatics Director at Ransburg Scout Reservation where he developed his passion for the water.

Mike is a “PK” (preacher’s kid), so he was active in his church growing up. His father was not only his pastor, but he was his Scoutmaster. His faith continues to shine as an adult by singing in the choir at Church of the Blessed Sacrament in West Lafayette. He is also filling the role of Chaplain during our upcoming Sagamore Council Wood Badge course.

Mike has served as the Wabash Valley District Chairman, helps with the local ICC (formerly FOS) campaign, and has recently transitioned to the chairman of the Council Finance Committee.

Professionally Mike is the local manager at Frontier Communications. He has a wife Kelly and two daughters, Sara and Meg. He holds a degree in Electrical Engineering from Purdue and a Masters in Management, Operation Management, and a minor Human Resources.

For his service to Sagamore Council, we honor Mike with the Silver Beaver award.
