

May 23, 2017

Message from Advancement Chair Teresa Hoover:

It is summer camp time. Be sure to register for classes as soon as possible to be able to lock in first choices. Camp Buffalo offers an excellent, well-rounded program for Boy Scouts. The Cub Scout Day Camps will be held at Camp Buffalo, July 11-14, Hidden Lake Resort in Fairmount, June 20-23, Cary Camp in Lafayette, July 25-28 and at the Geneva Center in Rochester on June 6-9, 2017. All camping opportunities may be registered as a unit at Sagamore.camp-master.com. Historically, boys that attend these camps are more likely to stay in the Packs/Troops.

Camp Buffalo will be offering adult training in CPR (cost \$5.00). In addition, you will be able to complete Scoutmaster Specifics. Youth Protection, Weather Hazards, Safe Swim and Safety Afloat will be covered, all in one session. Introduction to Outdoor Leader Skills, Paddle Craft Safety and Troop Committee Challenge are also offered. All are free of charge except the CPR class. It's a great opportunity to bring everything up to date or complete needed training.

Watch for Cub Recruitment Night Kickoff coming in June. There will be an orientation meeting for each district, with information provided to you. It is important that unit leaders attend. The actual Cub Scout Recruitment Night will be August 24th, 6:30-8:00 p.m.
