

Donate Life Indiana Awareness Patch Program

Scouts in the Boy Scouts of America show a commitment to making the world a better place. Learning about and promoting organ, eye and tissue donation education is another way for Scouts to do what they do best, help change the world through service learning projects.

On behalf of the more than 100,000 people awaiting a lifesaving organ transplant, The Donate Life Indiana Awareness Patch Program will allow Scouts across Indiana to pursue organ, eye and tissue donation advocacy to help save more lives.

Guidelines to Completing the Program

1. Watch the [Learn How Organ Donation Helps Save Lives](https://www.youtube.com/user/donatelifelifeindiana/) video found on Donate Life Indiana's YouTube page. (<https://www.youtube.com/user/donatelifelifeindiana/>) Then watch one other real life Indiana Story of Hope video of your choice found on the YouTube page.

2. Complete one or more of the following donation awareness activities below:

Blue, green and a swirl are Donate Life's national brand; they represent the sky, earth and the circle of life.

- Create blue and green artwork to hang in your window with positive donation messaging.
 - Create a poster or bulletin to hang in a public area for others to see. Be sure to get approval first.
 - Encourage your troop to wear blue and green on one meeting day in honor of those on the national transplant waiting list.
 - Take a picture in your Scout uniform with blue and green accessories to post and share inspiring messages about organ donation on your own or on a family member's social media page. Consider posting it on your unit, district or council's social media page.
3. Have an educational conversation with one or more adults in person or by phone to share what you learned about organ donation and transplantation.
 4. After completing the above activities, fill out the information below the dotted line and send to Donate Life Indiana. Your patch will be mailed to you.
